See Demolition Plus on Channel Nine's The Block 2010 program tomorrow night, at 7.30pm!

Tomorrow night, Episode 6 of The Block goes to air and during segment 1 our very own Josh P and Troy will appear on camera. Our former marketing manager Ngaire also appears in the segment.

The guys will be talking to one of the contestants about the excavation work which will be taking place on site.

Demolition Plus exposure is pretty impressive in this segment; the footage ranges from branded vehicles, branded machines excavating the driveway, and our staff in branded hazard clothing. _____
